Schedule of Retained Rights and Causes of Action

Global Notes and Disclaimers Regarding Schedule of Retained Rights and Causes of Action

I. Background

On January 28, 2019, PG&E Corporation and Pacific Gas and Electric Company (the “**Debtors**”), as debtors and debtors-in-possession commenced voluntary cases (the “**Chapter 11 Cases**”) filed voluntary cases under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Northern District of California (the “**Bankruptcy Court**”).

On March 16, 2020, the Debtors filed the *Debtors’ and Shareholder Proponents’ Joint Chapter 11 Plan of Reorganization dated March 16, 2020* [Docket No. 6320] (together with all exhibits and schedules thereto and as it may be amended, modified, or supplemented from time to time, the “**Plan**”).¹

II. Retention of Causes of Action under the Plan.

Pursuant to Section 10.11(a) of the Plan, and except as otherwise provided in Section 10.9 thereof, nothing in the Plan or in the Confirmation Order shall be deemed to be a waiver or the relinquishment of any rights or Causes of Action² that the Debtors or the Reorganized Debtors may have or which the Reorganized Debtors may choose to assert on behalf of their respective estates under any provision of the Bankruptcy Code or any applicable nonbankruptcy law, including (i) any and all Claims against any Person or Entity, to the extent such Person or Entity asserts a crossclaim, counterclaim, and/or Claim for setoff which seeks affirmative relief against the Debtors, the Reorganized Debtors, or their officers, directors, or representatives and (ii) for the turnover of any property of the Debtors’ estates.

¹ Capitalized terms used but not otherwise defined herein have the meanings ascribed to such terms in the Plan.

² Pursuant to the Plan, “**Cause of Action**” means, without limitation, any and all actions, class actions, proceedings, causes of action, controversies, liabilities, obligations, rights, rights of setoff, recoupment rights, suits, damages, judgments, accounts, defenses, offsets, powers, privileges, licenses, franchises, Claims, Avoidance Actions, counterclaims, cross-claims, affirmative defenses, third-party claims, Liens, indemnity, contribution, guaranty, and demands of any kind or character whatsoever, whether known or unknown, asserted or unasserted, reduced to judgment or otherwise, liquidated or unliquidated, fixed or contingent, matured or unmatured, disputed or undisputed, suspected or unsuspected, foreseen or unforeseen, direct or indirect, choate or inchoate, secured or unsecured, assertable directly or derivatively, existing or hereafter arising, in contract or in tort, in law, in equity, or otherwise, whether arising under the Bankruptcy Code or any applicable nonbankruptcy law, based in whole or in part upon any act or omission or other event occurring on or prior to the Petition Date or during the course of the Chapter 11 Cases, including through the Effective Date. Without limiting the generality of the foregoing, when referring to Causes of Action of the Debtors or their estates, Causes of Action shall include (a) all rights of setoff, counterclaim, or recoupment and Claims for breach of contracts or for breaches of duties imposed by law or equity; (b) the right to object to any Claim or Interest; (c) Claims (including Avoidance Actions) pursuant to section 362 and chapter 5 of the Bankruptcy Code, including sections 510, 542, 543, 544 through 550, or 553; (d) Claims and defenses such as fraud, mistake, duress, usury, and any other defenses set forth in section 558 of the Bankruptcy Code; and (e) any Claims under any state or foreign law, including any fraudulent transfer or similar claims.

Pursuant to Section 10.11(b) of the Plan, nothing therein or in the Confirmation Order shall be deemed to be a waiver or relinquishment of any rights or Causes of Action, right of setoff, or other legal or equitable defense that the Debtors had immediately prior to the Petition Date, against or with respect to any Claim left unimpaired by the Plan. The Reorganized Debtors shall have, retain, reserve, and be entitled to assert all such claims, Causes of Action, rights of setoff, and other legal or equitable defenses that they had immediately prior to the Petition Date fully as if the Chapter 11 Cases had not been commenced, and all of the Reorganized Debtors' legal and equitable rights with respect to any Claim left unimpaired by the Plan may be asserted after the Confirmation Date to the same extent as if the Chapter 11 Cases had not been commenced.

Pursuant to Section 10.11(c) of the Plan, the Reorganized Debtors reserve and shall retain the applicable Causes of Action notwithstanding the rejection of any executory contract or unexpired lease during the Chapter 11 Cases or pursuant to the Plan. In accordance with section 1123(b)(3) of the Bankruptcy Code, any Causes of Action that a Debtor may hold against any Entity shall vest in the Reorganized Debtors in accordance with the terms hereof. The Reorganized Debtors shall have the exclusive right, authority, and discretion to determine and to initiate, file, prosecute, enforce, abandon, settle, compromise, release, withdraw, or litigate to judgment any such Causes of Action and to decline to do any of the foregoing without the consent or approval of any third party or further notice to or action, order, or approval of the Bankruptcy Court.

III. Scheduled of Retained Rights and Causes of Action and Global Notes

Attached hereto is the Debtors' *Schedule of Retained Rights and Causes of Action* (the "**Schedule of Retained Causes of Action**"), which sets forth certain rights, Claims, or other Causes of Action that are retained and reserved pursuant to the Plan, and may be asserted by the Reorganized Debtors after the Confirmation Date to the same extent as if the Chapter 11 Cases had not been commenced.

These Global Notes pertain to, are incorporated by reference in, and comprise an integral part of, the Schedule of Retained Causes of Action and should be referred to and considered in connection with any review of the Schedule of Retained Causes of Action. The Global Notes are in addition to any specific notes contained in the Schedule of Retained Causes of Action.

The Schedule of Retained Causes of Action does not include all Causes of Action of the Debtors and the Reorganized Debtors and the identification of any specific Claims or Causes of Action therein shall in no way be deemed to limit or otherwise impair the generally applicability of the provisions of the Plan governing the rights, Claims, and Causes of Action that are to be retained and reserved by the Debtors under the Plan, including those provisions set forth above. No Entity may rely on the absence of a specific reference in the Plan, the Plan Supplement, the Disclosure Statement, or the Schedule of Retained Causes of Action to any Cause of Action against them as any indication that the Debtors or the Reorganized Debtors will not pursue any and all available Causes of Action against them. The Debtors reserve the right to amend, modified, or supplement this Schedule of Retained Causes of Action up to the Effective Date of the Plan.

Amounts. Due to the nature of the Claims listed in the Schedule of Retained Causes of Action, the amounts of many of the Claims are unknown. The description of an amount as "unknown" is not intended to reflect upon the materiality of the amount.

Attorneys' Fees. For the avoidance of doubt, all such Claims include any right or amounts the Debtors or Reorganized Debtors may be entitled to recover for attorneys' fees and expenses to the extent provided for under the controlling agreements or applicable law.

Miscellaneous Claims and Causes of Action. For the avoidance of doubt, and without limiting the scope of Sections 10.11 and 10.12 of the Plan, in addition to the specific Causes of Action set forth in the Schedule of Retained Causes of Action, the Debtors and Reorganized Debtors reserve and shall retain the following categories of Claims and Causes of Action and, to the extent not otherwise settled, released, or otherwise resolved pursuant to the Plan, all of the Reorganized Debtors rights with respect thereto are retained and reserved pursuant to the Plan, and may be asserted by the Reorganized Debtors after the Confirmation Date to the same extent as if the Chapter 11 Cases had not been commenced:

- **Contract Claims.** Causes of Action of the Debtors arising from or relating to contracts and leases with various non-Debtor counterparties, notwithstanding the rejection of any executory contract or unexpired lease during the Chapter 11 Cases or pursuant to the Plan.
- **Credit Claims.** Causes of Action of the Debtors arising from or relating to amounts owed to the Debtors on account of or relating to utility services provided by the Debtors.
- **Employment Claims.** Causes of Action of the Debtors arising from or relating to employee code of conduct violations.
- **Environmental Claims.**
 - Insurance Claims: The Debtors have affirmative environmental insurance coverage Claims for defense and indemnity obligations under insurance policies with several insurance carriers. The Claim with each insurance carrier involves a large number of individual Claims by the Debtors against the insurance carrier. Each insurance carrier is listed once in this Schedule of Retained Causes of Action, since a final resolution in each Claim involves a single settlement encompassing all Claims against the carrier.
 - Claims Under Executory Contracts: There may be affirmative Claims against others for environmental remediation and indemnity obligations, associated with Debtor-owned and non-owned property, performed in accordance with orders and consent decrees issued by governmental agencies, and with settlements and cost sharing agreements, all of which are considered executory contracts. This Schedule of Retained Causes of Action is not an inclusive list of all such Claims.
 - Divested Power Plants: Causes of Action of the Debtors arising out of agreements relating to contractual liability for environmental contamination at divested power plants, including, but not limited to, the former Potrero, Moss Landing, and Morrow Bay Power Plant sites.
 - Multiple-Party Sites and Historic Manufactured Gas Plant Sites:
 - *Multiple-Party Sites:* Throughout their years of operation, the Debtors disposed of hazardous substances at a number of hazardous waste disposal sites; including, but not limited to, those sites listed below. For these sites,

the Debtors are one of many disposers, and the Debtors consider each of the other disposers as a co-defendant for remedial clean-up costs.

- Casmalia Resources
- Geothermal Landfill
- IT Landfills
- Ultra Chem. Cleanup Site
- Yosemite Slough/Bay Area Drum

- *Historic Manufactured Gas Plant Sites:* The Debtors are involved in over 75 historic manufactured gas plant (“MGP”) sites, located throughout the Debtors’ service territory (the Debtors have not listed each site in this Schedule of Retained Causes of Action). Many of these properties may be subject to remediation under the direction of environmental agencies or are the subject of third party Claims. For these sites, the Debtors may have Claims against other parties for a share of the remedial clean-up costs.

- The Debtors assert there is the potential, at some point in time in the future, that they could have Claims against one or more of the other parties associated with the sites covered above, thus each of those other parties would be listed in the Schedule of Retained Causes of Action as a party against whom the Debtors have Claims. However, because the number of parties associated with all of these sites can be quite voluminous (in some cases over 10,000 entries), the Debtors are not listing each party here.

- **Litigation Claims.** Causes of Action of the Debtors arising out of or relating to pending legal proceedings commenced by or against either of the Debtors.
- **Property and Equipment Damage Claims.** Causes of Action of the Debtors arising out of or relating to damages or losses caused to the Debtors’ property or utility equipment.
- **Regulatory Proceedings.** Causes of Action of the Debtors arising out of or relating to the numerous regulatory proceedings the Debtors are involved in in the ordinary course, including, but not limited to, those pending before the California Public Utilities Commission and the Federal Energy Regulatory Commission, which are a matter of public record.
- **Tax Claims.** Causes of Action of the Debtors arising out of or relating to amounts owed to the Debtors for tax overpayments.
- **Warranty Claims.** Causes of Action of the Debtors arising out of or relating to amounts owed to the Debtors from various manufacturers and distributors for defective utility equipment.
- **2001 Chapter 11 Proceeding Claims.** Causes of Action of the Debtors arising out of or relating to claims filed against the Utility in its 2001 chapter 11 proceeding that remain pending and unresolved.

12 **listing your Agreement(s) with the Debtors is attached to this Notice. You are advised to carefully**
13 **review the information contained herein and the related provisions of the Plan. Please note that**
14 **your status as a counterparty to an executory contract or an unexpired lease alone does not entitle**

19 herein or in the Schedule of Assumed Contracts are not executory contracts or unexpired leases. As a
20 matter of administrative convenience, in certain instances the Debtors may have listed the original parties
21 to certain of the Agreements listed in the Schedule of Assumed Contracts without taking into account
22 any succession of trustees or any other transfers or assignments from one party to another. The fact that
23 the current parties to any particular Agreements may not be named in the Schedule of Assumed Contracts
24 is not intended to change the treatment of such Agreements. References to any Agreements to be
25 assumed pursuant to the Plan are to the applicable agreement and other operative documents as of the
26 date of this Notice, as they may have been amended, modified, or supplemented from time to time and
27 as may be further amended, modified, or supplemented by the parties thereto between such date and the

The proposed Cure Amounts with respect to your Agreements are set forth on the excerpt of the Schedule of Assumed Contracts annexed to this Notice. If no Cure Amount is listed for any specific Agreement, the Debtors have determined that no Cure Amount is owed or outstanding with in respect to such Agreement.
